

How to post:

- 1) Cut out the free postage label above
- 2) Package your device & affix the label
- 3) Take your device to a Post Office branch to have a tracking label affixed

Make sure you include your Packing Slip or Sell Order Number so we can link your device to you when it arrives

You must remove Apple's Activation Lock before sending a used iPhone or iPad to us. Go Settings > General > About > Erase All Content and Settings
